FOR EXPLANATION OF ABBREVIATIONS AND REFERENCE MARKS REFER TO LAST PAGE OF TARIFF

Except as otherwise specifically provided, all rates and charges set forth in this tariff will be subject to an increase of 4.0% as follows: (See NOTES 1,2,3,4,5 and6)

First determine the rate or charge which would apply except for this Supplement, then increase the rate or charge so determined as provided in this Supplement.

NOTE 1: Increases published in this Supplement will also apply to rates and charges issued subsequent to this Supplement, made subject to this Supplement, effective on date provided therein.

NOTE 2: Where a through rate is made by combining two or more factors, each is increased separately under the provisions of this item and the applicable through rate is the total of the combined factors.

NOTE 3: Where rates or charges are published in dollars and cents, apply the equivalent in cents.

NOTE 4: To determine a rate or charge increased under this Supplement, first determine the applicable rate or charge, then increase that rate or charge by 4.0%. To arrive at such increased rate or charge, multiply rate or charge by 1.04. Fractions of less than ½ cent will be dropped. Fractions of ½ cent or more will be increased to the next whole cent.

NOTE 5: Rates made by addition or deduction of arbitraries:

Where a through rate for line-haul transportation is made by addition or deduction of an arbitrary, the provisions of this Supplement shall first be applied to the rate and to the arbitrary before the addition or deduction of such arbitrary is made.

APPLICATION OF RATES

A. General:

Rates named in this tariff apply only on shipments having a prior or subsequent non-domestic movement.

The rates named herein are applicable subject to the special rules and conditions of this tariff and to the conditions of the carrier's shipping receipts and straight bill of lading. All charges payable in United States of America currency.

Rates named herein include all costs of loading and unloading carrier's vessel, including wharfage and handling at Tacoma, Washington or Anchorage, Alaska.

Rates and/or charges named herein include pick-up and/or delivery service, subject to arbitraries named in Item 342 and Item 750 of STB TOTE 100 Series tariff.

Rates named herein from or to Tacoma, Washington will only apply from or to the carrier's scheduled port of call.

B. Exempt Commodities:

Certain commodity rates named in this tariff are not regulated by the Surface Transportation Board, as set forth in 49 U.S.C. 10526 and further defined in 49 CFR 1047.25, including ordinary livestock, fish and used empty shipping containers. These rates are published in this tariff for informational purposes only, however, charges named in this tariff are offered to the shipper along with the applicable rules and notations.

Acceptance by the shipper of this offer will constitute the terms and conditions for movement of commodities exempt from regulation by the Surface Transportation Board.

C. Proportional Commodity Rates: (Section 2 and Section 3) Proportional Commodity Rates named in Section 2 and Section 3 set forth the proportional rate between Tacoma, WA and points in Alaska for service between points outside the United States, and points in Alaska under provisions of transshipment agreements listed in Item 978 and are published in this tariff for informational purposes only. For through commodity rates named between points outside of the United States and points in Alaska refer to tariffs filed by or participated in by individual carriers named in this tariff, or in the conference tariff of which they are a member, if applicable.

NORTHBOUND AND SOUTHBOUND MOVEMENTS WITHOUT BENEFIT OF CARGO

- A. Empty equipment may be transported northbound at no charge if shipper annotates the bill of lading that the equipment is transported northbound for southbound cargo.
- B. Shipper owned equipment that is transported northbound to points in Alaska without benefit of cargo (as provided above) for the purpose of returning southbound shipments will be subject to additional charges as set forth in this Paragraph B, if the subsequent southbound move is also without benefit of cargo.
Shipper owned equipment that has been positioned to arbitrary points named in Item 342 of Tariff STB TOTE 100 series will be charged the applicable arbitrary if the trailer/container is returned southbound without benefit of cargo.
If shipper owned equipment has been placed in Anchorage beyond TOTE's terminal for southbound loading, a charge in accordance with TOTE Tariff STB TOTE 100 series Item 750 shall apply to each trailer/container that is returned to TOTE's terminal in Anchorage, Alaska.
- C. If shipper owned equipment has been shipped Northbound empty under the provisions of Paragraph A and does not return South via Totem Ocean Trailer Express, Inc. within 150 days of the Northbound placement, then the following will apply:
 - 1. A charge of **\$5,328** per container/trailer for northbound transportation.
 - 2. If drayage was provided by TOTE for such containers, the charge for the drayage outside of Anchorage, Alaska will be as provided in Item 342 of Tariff STB TOTE 100 series.
 - 3. If TOTE provides other terminal services, to include terminal plug-in service, pretrip or trailer wash and up to 7 days of refrigerated storage then an additional charge in accordance with TOTE Tariff STB TOTE 100 series Item 910 shall apply.
- D. When TOTE is asked to place empty connecting carrier equipment (container and chassis or trailer) to points beyond Anchorage without benefit of cargo, intentioned for southbound loads, the following provisions will apply:

<p style="text-align: center;">PRIOR RESERVATION OF VESSEL SPACE</p> <p>Shipments of northbound freight will only be accepted subject to prior reservation of vessel space, confirmed by TOTE or an agent of TOTE. (See NOTES 1 and 2)</p> <p>Reservation of vessel space is not a guarantee that the cargo will move on a specific sailing, although every effort will be made to do so. The carrier reserves the right at all times to load and stow cargo in the most feasible method possible. All cargo, however, will move with reasonable dispatch, once it is made available to the carrier. The carrier at all times reserves the right to load cargo in trailers, on or below deck or in vessels at its discretion.</p> <p>When shipments forwarded prior to confirmed reservation of vessel space, through no fault of the carrier, accrue demurrage or detention charges from the delivering carrier, such charges will be for the account of the shipper, consignee or beneficial owner of the freight.</p> <p>NOTE 1: Northbound Shipments moving under provisions of Section 2 will be accepted by TOTE only when prior arrangements have been made to book space aboard TOTE's vessel prior to interchange of cargo at Seattle or Tacoma, Washington. The bill of lading for each trailer or container shipped must reference the appropriate voyage and booking number.</p> <p>NOTE 2: Southbound Shipper, consignee or owner of cargo must make arrangements to book space on participating carrier's vessel (See List of Ocean Carriers in this tariff) prior to sailing at Anchorage, Alaska aboard TOTE's vessel). TOTE must notify participating carrier of cargo booked to participating carrier's vessel indicating date of cargo readiness at Anchorage, AK. The participating carrier must provide TOTE with written confirmation (letter or email) that booking has been confirmed. Such confirmation must include reference to origin, destination, voyage number, name of participating carrier's vessel and scheduled date of departure from port of Seattle or Tacoma, Washington. If the shipment arrives in Tacoma, Washington prior to assignment of confirmed booking for space aboard the participating carrier's vessel the shipment will be subject to the provisions of Tariff STB TOTE 100 series Item 910.</p>	775

Item 1240 Provisions:

NOTE 4: VALUATION, RATES CONDITIONED ON:

- A. Rates published in this Item are based on a released value not exceeding 10 cents per pound (NMFC 100240 Sub. 1).
 The release, which shall be deemed to relate to each article separately and not to the shipment as a whole, must be entered on the shipping order and bill of lading as specified in the Governing Classification.
- B. Should the shipper choose to ship at a released value exceeding 10 cents per pound, such value must be entered on the shipping order and bill of lading as specified in paragraph A, and will be subject to the following provisions:

RELEASE VALUE	PERCENT OF RATE TO BE APPLIED
Exceeding 10 cents but not exceeding 20 cents per pound	125%
Exceeding 20 cents but not exceeding 50 cents per pound	150%
Exceeding 50 cents but not exceeding \$2.00 per pound	200%
Exceeding \$2.00 but not exceeding \$5.00 per pound	300%

(Application - multiply the applicable tariff rate for the shipment which would apply at and not exceeding 10 cents per pound by the percentage given to obtain the rate to be charged for such higher released value.)

- C. If shipper fails to state a released value on the shipping order or bill of lading, or designates a value exceeding \$5.00 per pound, shipment will not be accepted, but if shipment is inadvertently accepted, it will be considered as being released at the lowest valuation provided and shipment will move and be charged for, on the basis of such limitation of liability.
